In response to your favor of the 20th inst., we beg to say that we regret our inability to supply at once the books entitled: Lenormant, La Grande Grece, 3 vols, or Holm Geschichte Siciliens, as these works are not in stock and our efforts to procure same in the city have been in vain. However, we would be glad to fill your import order for the work by Lenormant, upon receipt of which we would furnish it in about 3 to 6 weeks, or as soon as circumstances will permit while the work by Holm, cannot be imported before the mail or freight intercourse with Germany is resumed.
